FIRST SUPPLY® Profile

Who is First Supply?

Did you know that First Supply® has been an active main channel distributor of six different product segments, including; HVAC-R, Builder, Plumbing, Waterworks, Industrial PVF, and Pump/Well and Septic for over 110 years? Maintaining the best support staff and the most reliable products available to contractors today is what has led to us to receive national recognition as an industry leader.

With so many years of operation, changes and growth for any company can and should be expected. One such aspect of our business model remains the same however, and that is our driving philosophy that the customer relationship comes first. We are excited about what the future holds for us and will make all decisions acknowledging the fact that first rate service and top quality products are the expectation when partnering with First Supply.

Where First Supply ranks nationally

- Plumbing & Hydronics - 13th
- Pipes-Valves-Fittings - 22nd
- HVAC-R - 46th
- Overall - 28th

*All rankings based on sales in U.S. Dollars **Source: Supply House Times/BNP Media Market Research 2015
